IZAAK WALTON LEAGUE NEWSLETTER - APRIL 2017

UPDATED WEB PAGE

After a long awaited update, it is finally here and it is AWESOME! HCIWLA.org is still the address. You will be able to subscribe to the web page and receive email notifications every time we post updates. These updates may be reminders of upcoming events, changes in schedules, or information about registered shoots/scoring.

Regarding the monthly calendar – You will find the calendar under the 'Information' tab, 'Events/Calendar'. Underneath the calendar you will see a list of 'categories'. If you place your mouse arrow over any one of those events; i.e. sporting clays, trap, etc. and left click, the calendar will change to show you only the event you are interested in. Otherwise, the calendar will display all events. We think this will help you find your information more quickly.

To subscribe to the web page, toward the bottom of the home page on the right side there is a place to type in your email address. You will receive an email to verify your subscription. Once you 'click' on the address in your email, the notifications will begin!

Look around the web page, in the future, this will be where the newsletter will be posted. You will need to be subscribed to receive the newsletter through your email.

WHAT'S NEW AT THE IKES

We have a new Station One! If you haven't seen it, it is east of the old Station One and is pointed to the northwest with a narrower window of opportunity!

A new challenge to overcome! Check it out!

We had a barn raising too! The Ikes now has a nice building for storing property equipment and clay targets!

This has been a long time coming, but it's here! There will also be a covered 'porch' on the south side of the building. Moving the Ike's forward!

DON'T FORGET TO SUBSCRIBE TO THE WEB PAGE
